

PRE-TREATMENT PROCEDURES

1. Eyelash Extensions should be removed at least 3 – 5 days prior to appointment.
2. For best results, do not use waterproof mascara or a lash curler, 5 days prior to your appointment.
3. Do not wear eye makeup to your appointment. Including mascara, eyeshadow, eyeliner, etc.
4. If needed, remove eye makeup with oil-free makeup remover.
5. It is recommended to wash your hair prior to your appointment.
6. Every client must fill out a lash lift waiver prior to treatment.

POST- TREATMENT PROCEDURES

1. Absolutely no mascara (including YUMILashes Keratin Mascara), eyeliner, lash growth serums, lash extensions, or eye creams for 48 hours.
2. No water, steam, or heavy exercising that would cause excessive sweating for 48 hours.
3. Only body showers are recommended.
4. Use makeup remover wipes to clean face.
5. YUMILashes Keratin Mascara is highly recommended and can be used morning and evening after the 48 hours.
